

WELCOME TO BRESLAU

Many new residents are moving to our community, and we want to welcome you all. Two new neighbourhoods will add almost 1000 new homes over the next few years. The population of our community is rapidly increasing and we, as your Recreation Association, want to ensure that we grow along with you to provide services and programming for all residents. This newsletter is to introduce all of Breslau's residents to the Recreation Association and update you on the changes and additions we have planned for the future.

What's Available Right Now?

We currently have a fully functional outdoor recreation area, which includes a ball diamond, soccer field, tennis courts and beach volleyball, all within Breslau Memorial Park. The Recreation Association is already working on additional programming and we are in need of your feedback. Please fill out the survey on the back of this page and drop it off at one of the three locations: Empire Sales Centre, Homesteader Restaurant or at 26 West Tree Drive in Thomasfield (box on porch). You can also visit our website at www.breslau.org and complete the questionnaire online. Remember that this is your community and your opinions matter. We are working hard to make sure that we have something for everyone.

PART TIME BUSINESS OPPORTUNITY: Anyone who may be interested in running the concession booth at the park please contact Lisa at 519-648-9675. This would be a suitable opportunity for an older teenager or anyone available evenings and weekends.

This questionnaire is designed to give the recreation association feedback on the types of programs we are considering implementing this spring. Please answer the questions below and return to one of the three drop off locations listed on the front page. This questionnaire is also available online at www.breslau.org.
